## Welcome to Bloomington Nursing and Rehab

We are a skilled nursing facility offering quality rehabilitative care as well as excellent long-term care. We recognize how important it is to select the right health care option to meet your individual needs. Bloomington Nursing and Rehab has the programs and support services to assist you and your loved one as their care needs increase or decrease.

Here at Bloomington Nursing and Rehab you will find the comforts of home. The environment is clean, caring and friendly. Our rooms are ready for you to decorate just the way you like. Planned activities and events invite times of fellowship and friendship. Our Dietary Department led by an on-staff chef and Registered Dietician, has some of the best home-style cooking around. You will not find a more dedicated team of professionals in town.

## Rehabilitation Program

The goal of Bloomington Nursing and Rehab is to help individuals achieve their highest level of independence. We treat individuals with a range of conditions; including patients recovering from hip replacement, knee surgery, other orthopedic conditions, strokes, open heart surgeries, surgical wounds and general weakness due to a recent hospital stay.

Our therapy department also provides restorative programs to assist individuals in making the transition from daily intensive therapy to less assistance.

## Returning to Home

Bloomington Nursing and Rehab prides itself on success stories that always include one's ability to reclaim their independence or return to home. Our therapists encourage participation in care plans to support and encourage individuals to reach their full potential. Our aggressive discharge planning ensures an individual has all the adaptive equipment, home modifications, and training to ensure success once they are home.
